The “Hospital Discharge Service” element (TR25.31) is the department that discharged the patient from the hospital.

The “Hospital Admission Date” element (TR25.33) is defined as the date the patient was admitted to the hospital. If you used the ‘Date/Time Helper’ from the Demographics Screen, this information will already be in the system. Also, if you would prefer not to type in the date, click on the calendar icon and select a date. The date is used to auto-generate an additional calculated field: Total Length of Hospital Stay (elapsed time from ED/Hospital Arrival to ED/Hospital Discharge).

The “Hospital Admission Time” element (TR25.47) is defined as the time the patient was admitted to the hospital. If you used the ‘Date/Time Helper’ from the Demographics Screen, this information will already be in the system. The date is used to auto-generate an additional calculated field: Total Length of Hospital Stay (elapsed time from ED/Hospital Arrival to ED/Hospital Discharge).

The “Hospital Discharge Date” element (TR25.34) is defined as the date the patient was discharged from the hospital. If you used the ‘Date/Time Helper’ from the Demographics Screen, this information will already be in the system. Also, if you would prefer not to type in the date, click on the calendar icon and select a date. The date is used to auto-generate an additional calculated field: Total Length of Hospital Stay (elapsed time from ED/Hospital Arrival to ED/Hospital Discharge). This is a national and state data element.

The “Hospital Discharge Time” element (TR25.48) is defined as the time the patient was discharged from the hospital. If you used the ‘Date/Time Helper’ from the Demographics Screen, this information will already be in the system. The date is used to auto-generate an additional calculated field: Total Length of Hospital Stay (elapsed time from ED/Hospital Arrival to ED/Hospital Discharge). This is a national and state data element.

The “Third Method of Payment” element (TR2.18) is defined as any known third source of finance expected to assist in payment of medical bills.. Select an option from the drop-down menu.

If “Other” is selected in the “Third Method of Payment” element, a new data element (Third Other Billing Source TR2.19) will appear on the form that will allow you to textually enter the billing source.

## Outcome Screen – Financial Information (3)

The screenshot shows a web-based medical form titled "Outcome Screen – Financial Information (3)". At the top, there is a navigation bar with tabs: "ts", "Staff", "Users", "Setup", and "Outcome". Below this, a sub-navigation bar includes "ED / Acute Care", "Initial Assessment", "Diagnosis", "Comorbidity", "Procedures", "Complications / PI", and "Outcome". The patient ID "F-120813-116" is displayed on the left, and a "Mark As Completed" button is on the right. The main form area is divided into two sections: "Financial Information" and "Disposition".

**Financial Information**

**Primary Method of Payment:** Not Applicable (dropdown menu) \*

**Billed Hospital Charges:** (text input field) (without '\$' symbol)

**Reimbursed Charges:** (text input field) (without '\$' symbol)

**Secondary Method of Payment:** Not Applicable (dropdown menu)

**Third Method of Payment:** Not Applicable (dropdown menu)

**Work Related:** Yes (dropdown menu) \*

**Patient Occupational Industry:** Not Applicable (dropdown menu) \*

**Industry Description:** (text input field)

**Occupation:** Not Applicable (dropdown menu) \*

**Occupation Description:** (text input field)

**Disposition**

**Hospital Discharge Disposition:** Not Applicable (dropdown menu) \*

At the bottom right, there are two buttons: "Save" and "Save and Continue".

The "Work Related" element (TR2.10) is defined as an indication of whether the injury occurred during paid employment. Select an option from the drop-down menu. This is a national and state element.

If "yes" is selected for the "Work Related" element, four new elements will appear. The first element, "Patient Occupational Industry" (TR2.6), is defined as the occupational industry associated with the patient's work environment. Select an option from the drop-down menu. This is a national and state element.

The second element, "Industry Description" (TR2.27), is a text box that allows you further describe the occupational industry associated with the patient's work environment.

## Outcome Screen – Financial Information (4)

The screenshot displays a web-based form titled "Outcome Screen – Financial Information (4)". At the top, there is a navigation bar with tabs for "ts", "Staff", "Users", and "Setup". Below this, a sub-navigation bar includes "ED / Acute Care", "Initial Assessment", "Diagnosis", "Comorbidity", "Procedures", "Complications / PI", and "Outcome", with "Outcome" being the active tab. The patient ID "F-120813-116" is shown on the left, and a "Mark As Completed" button is on the right. The main form area is divided into two sections: "Financial Information" and "Disposition". The "Financial Information" section contains fields for "Primary Method of Payment" (dropdown menu, currently "Not Applicable"), "Billed Hospital Charges" (text input, currently empty), "Reimbursed Charges" (text input, currently empty), "Secondary Method of Payment" (dropdown menu, currently "Not Applicable"), "Third Method of Payment" (dropdown menu, currently "Not Applicable"), "Work Related" (dropdown menu, currently "Yes"), "Patient Occupational Industry" (dropdown menu, currently "Not Applicable"), "Industry Description" (text input, currently empty), "Occupation" (dropdown menu, currently "Not Applicable"), and "Occupation Description" (text input, currently empty). The "Disposition" section contains a "Hospital Discharge Disposition" dropdown menu, currently set to "Not Applicable". At the bottom right, there are "Save" and "Save and Continue" buttons. A vertical toolbar on the right side of the form contains icons for search, edit, print, and other functions.

The third element, "Occupation" (TR2.11), is defined as the occupation of the patient. Select an option from the drop-down menu. This is a national and state element.

The fourth element, "Occupation Description" (TR2.12), is a text box that allows you to further describe the occupation of the patient.

## Outcome Screen – Financial Information (5)

The screenshot displays a web-based medical record interface. At the top, a navigation bar includes tabs for 'ts', 'Staff', 'Users', and 'Setup'. Below this, a secondary navigation bar shows 'ED / Acute Care', 'Initial Assessment', 'Diagnosis', 'Comorbidity', 'Procedures', 'Complications / PI', and 'Outcome' (which is highlighted). The patient ID 'F-120813-116' is visible on the left, and a 'Mark As Completed' button is on the right. The main content area is titled 'Financial Information' and contains several sections: 'Primary Method of Payment' (dropdown: Not Applicable), 'Billed Hospital Charges' (text input: (without '\$' symbol)), 'Reimbursed Charges' (text input: (without '\$' symbol')), 'Secondary Method of Payment' (dropdown: Not Applicable), 'Third Method of Payment' (dropdown: Not Applicable), 'Work Related' (dropdown: Yes), 'Patient Occupational Industry' (dropdown: Not Applicable), 'Industry Description' (text input), 'Occupation' (dropdown: Not Applicable), and 'Occupation Description' (text input). A 'Disposition' section at the bottom has a 'Hospital Discharge Disposition' dropdown set to 'Not Applicable'. On the right side of the form, there is a vertical toolbar with icons for search, edit, print, and other functions. At the bottom right, there are 'Save' and 'Save and Continue' buttons.

The “Billed Hospital Charges” element (TR2.9) is defined as the total amount the hospital charged for the patient’s care. Enter a numerical value without the dollar sign.

The “Reimbursed Charges” element (TR2.8) is defined as the amount the hospital was reimbursed for services. Enter a numerical value without the dollar sign.
